

# YOUTH LEADERSHIP & FACILITATION

**DISCOVER YOUR TALENTS & GIFTS.**

**APPLICATION DEADLINE | APRIL 30 2021**

The course will take place in Phnom Penh and outdoors at Community Protected Areas.

Using experiential outdoor education to turn your passion into profession.

The course will be conducted in English.

Up to 90% of the fees can be provided through scholarships to selected students.

We believe that you are needed to create better solutions for an environmental and socially just future.

We believe that you play a vital role in the consciousness evolution of humanity.

We believe that you belong at the center of a healthy society.

To make this happen, we guide you on your way to make a difference for current and future generations.

## Course Modules

The 1-year program consists of 6 modules, of 5–7 days each.

1. Basics of Learning & Facilitation, 20 – 26 Jun 2021
2. Basic of Environmental & Outdoor Knowledge, 13 – 17 Sept 2021
3. Nature as a Learning Field, 18 – 22 Oct 2021
4. Collection of experience-oriented activities, 22 – 26 Nov 2021
5. Effective Facilitation & Communication, 16 – 21 Jan 2022
6. Designing Educational Environmental Outdoor Programs, 6 – 11 Mar 2022

## Participants

Using nature & the outdoors as a learning field, our experiential education arranges scenarios that involve adventure, fun, and risk. With this approach, you will have the opportunity to learn new things and develop new skills.

The course will have a maximum of 25 seats only.

The program is open for the diversity of young people up to the age of 35.

## Trainers

For a multidimensional approach, the course will be facilitated by 3 trainers with different backgrounds.

International Trainer: Dirk Reber  
Cambodian Trainer: Souheang Ly  
Trainer-Assistant: Liani Louw
